The disgraceful teens who dug underneath a well respected synagogue did so on their own after being explicitly told not to. They went against synagogue leadership.
Gen Z was taught that nothing is more important than their feelings and now they're emboldened to act entitled and spoiled with zero regard or respect for others.
We keep seeing this time and again in all our institutions. We must fix the broken education system. The future of our country depends on it.

Chaya's family runs the Los Angeles Chabad cabal.
